

About The Guild

The non-profit Peninsula Glass Guild was established in 1986 to promote quality art glass in the community and to provide a forum for glass artists to gather together for educational and support purposes. Membership includes both professional and non-professional glass artists.

PGG offers workshops for members to encourage continual growth. Discounts at various retail glass business, trips to see glass and related arts, meetings featuring guest lecturers, and the Annual Glass Show are but a few of the membership benefits.

Each year, the Guild creates a large piece of glass and donates it to a public organization. This piece is funded by the Guild and donations, group designed, constructed, and installed by the Guild. Pieces are now displayed at the Newport News SPCA, the Virginia Living Museum, the Charles H. Taylor Arts Center, the Yorktown Victory Center, the Virginia Air and Space Center in Hampton, Shelton on the Bay in Phoebus, the Newport News Main Street Library, the Virginia Holocaust Museum in Richmond, and the American Theatre in Phoebus. The guild co-purchased a significant piece of glass for the Chrysler Museum in 1998.
