Lucartha Kohler

Juror

The judge for this year's show is glass artist and sculptor Lucartha Kohler. She has worked with glass since 1973 and has received numerous awards. She is the author of the recently published book, *Glass, An Artist's Medium*. Of her own work she says "I choose to present my work in glass because of the illusive, mystical qualities of the material, suggesting a reality greater than we perceive."
